LITERARY AWAKENING THE NATION'S MENTAL AND HUMAN REASON

Abdulroya Panaemalae

Abstract

What I want to emphasize here is that in our quest to build a great civilization it is not proper for us to marginal art and literature altogether. So, please read it! Do not just watch. I would like to conclude here by quoting what Ali Shari’at'i once said; “Arts is not a plaything in his hands; it is not a means for gaining pleasure, for diversion, for stupefaction, for the expenditure of accumulated energy. It is not a servant to sexuality, politics or capital. Arts is the special trust given to man by God.”

Anthony Robbins, the nation's leader in the science of peak performance, shows you his most effective strategies and techniques for mastering your emotions, your body, your relationships, your finances, and your life. The acknowledged expert in the psychology of change, Anthony Robbins provides a step-by-step program teaching the fundamental lessons of self-mastery that will enable you to discover your true purpose, take control of your life and harness the forces that shape your destiny.

1. Can human beings lose the density of their conditioned mind structures and become like crystals or precious stones, so to speak, transparent to the light of consciousness? An essential part of the awakening is the recognition of the unawakened you, the ego as it thinks, speaks and acts, as well as the recognition of the collectively conditioned mental processes that perpetuate the unawakened state. That is why this book shows the main aspects of the ego and how they operate in the individual as well as in the collective. They did away with layers upon layers of deadening conceptualization and mental belief structures, and for this reason most of them were viewed with suspicion and often hostility by the established religious hierarchies. Wisdom literature exists in many writings from the ancient world, and there are parallels in the Bible to Egyptian wisdom literature. The books of Proverbs, Ecclesiastes, Wisdom, and Sirach all contain advice on how to live life and how to understand life's difficulties.

2. Madness and religion in the ancient world. The ancient world presents a wide range of worldviews and a number of philosophies of healing. Religion, psychology, and medicine were intertwined, for example, in the ancient healing cult, the cult of Asclepius. The cult of Asclepius was the most widespread healing cult in the anc...
