ABSTRACT
I have read with interest the response by Graham Henderson of the Toronto Humane Society (Int J Stud Anim Prob 2(6):305-309, 1981). I agree with many of his statements and am pleased that he, in turn, agreed with most of mine, although at first, this was not entirely apparent. In fact, I found Mr. Henderson's letter to be somewhat confusing, and it contained a number of inaccuracies and contradictions. So, please bear with me if I go into some detail to try to unravel the confusion.
